Positivity Project

We've painted a rainbow to hang in our window.
It's bursting with color. It's seven feet wide!
It's a fun thing to do when a virus is spreading
and everyone has to be cooped up inside.
We hope we'll be making the day a bit brighter
If somebody's fearful, unhappy or glum.
We just thought our neighbors could use a reminder
That things will get better and good times will come!
