

CUT \_\_\_\_\_  
 FOLD - - - - -

1. Print on card stock or matte photo paper.
2. O.K, so glue the ears together in to triangles first.
3. Glue top of head together and top side tab.
4. Glue front of wings to back but don't glue yellow tabs together.
5. Glue front of leg to back but don't glue yellow tabs on the end together.
6. Slide the foot through the slot in the back of the body and out the slot in the front. Fan out the yellow tab and glue to back of heart.
7. Slide yellow tabs on wings through slot in side of body. Fan out tabs and glue to the marked spaces on the leg piece.
8. Glue final side tab on the body.
9. Drop me a line or send me a picture of your owwww! at mad@maddhawkins.com.
