PAPER CHUCK

ASSEMBLY INSTRUCTIONS

For best results score fold lines by gently running an exacto knife down a straight edge. Use a thin layer of white glue for gluing.

1. Form SHOES by gluing tabs A inside toe of shoes.
2. Glue tabs B-D around to form back of BODY.
3. Glue BODY FRONT to BODY with tabs E at waist.
4. Finish upper Body by gluing tabs F and G around.
5. Glue tabs H-K to form legs.
6. Fold tabs L up on shoes and glue inside front panel of legs. Make sure tabs M are toward outside of body.
7. Glue tabs M inside pant leg.
8. Fold ARMS front to back and glue together.
9. Fold up at elbow and wrist and curve fingers around.
10. Glue tabs N inside to form sleeve.
11. Glue ARMS were indicated to the inside front of SLEEVE.
12. Glue SLEEVES to BODY were indicated.
13. Be sure to cut the slots for EARS on both sides of head. Also cut slot on forehead for PARASITE.
14. Glue tabs O-Q to form head.
15. Cut around tooth and 2 slots on JAW.
16. Insert tabs R and S on head into slots R and S on JAW and glue inside.
17. Glue tabs T to form JAW.
18. Insert EARS into slots on side of HEAD.
19. Fold FOREHEAD WORM front to back, glue and put bends in it and insert in slot above eyes.
20. Fold tabs U and V out and glue to back of JAW were indicated.
21. Done!
